PEPPERNUTS

PEPPERNUTS

Peppernuts, with their unique flavor and addictive aroma, have been a tradition for many German families for centuries. The dough was packed in crocks and stored in the fruit-room of the cellar so that the spices blended smoothly with the sugar and flour. Women shaped the cookies by rolling the dough into ropes and then slicing those ropes to form the small round cookies. Some painstakingly cut their dough in perfect little circles using sewing thimbles. Building on this rich heritage, Prairie Harvest offers Peppernuts to you and yours.
